CG/F/Public Notice/2011/ 140

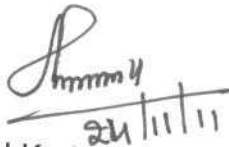

Date: 24/11/11

### PUBLIC NOTICE

Trade mark opposition files have been arranged systematically in the Trade Marks Registry during the last six months. It has come to my notice that in a large number of trade mark oppositions, the opposition has been either withdrawn by the opponents or a settlement has been arrived at between the parties and the fact of settlement has been informed to the Registry or the trade mark application has been withdrawn by the applicant. As such papers submitted are non-fee bearing, it is not possible to infer from the computer data about filing such papers.

Hence the parties concerned are requested to inform the concerned Registry about such facts by email along with the documentary proof to enable the Registry to pass appropriate orders and finalise the opposition proceedings at the earliest.
